Very sweet with exceptional tomato flavour, this variety really stood out in the trials. 65 days after transplanting.
\$3.50 each

NEW
Sunrise Bumblebee
Cherry Tomato

Heirloom. Pinkish-red with yellow striping in colour. Excellent sweet tany flavour, with internal pink marbling.
\$3.50 each

NEW
Peron
Salad Tomato

Heirloom. Compact, semi-determinate vines are fairly disease resistant. Deep-red, dual-purpose canning and slicing sort. Smooth, slightly oblate fruit is very dense-fleshed and meaty, and show very little core. Skins are very thick and tough, simplifying peeling when processing, and making the crack-resistant fresh fruits keep extremely well. Fruit runs 3-6 ounces; flavor is very good, and sweet enough for fresh use as well.. **\$3.50 each**

NEW
Principe Borghese
Salad Tomato

Heirloom. Determinate. The Italian heirloom that is famous for sun drying. Small 1-to 2-oz, grape-shaped fruit is very dry and has few seeds. It has a rich tomato taste that is wonderful for sauces. Vines yield clusters of fruit in abundance, perfect for selling in fresh markets and making specialty products.
\$3.50 each

NEW
Black Crick
Salad Tomato

Heirloom. A beautiful black salad tomato 2 inches in diameter with green shoulders and dark sweet and tasty flesh. Very good yields.
\$3.50 each

\$3.50 each

San Marzano
Salad Tomato

Hybrid. Pear shaped paste tomato with high yields over a long season. Fruits in clusters are crack resist. Meaty flesh, mild flavor with little juice is excellent for sauce. One of the best paste tomatoes with a better flavor than 'Roma'. Indeterminate. 70-90 days.
\$3.50 each

NEW
Cherry Falls
Organic

Cascading vines. Cherry Falls produces bright red, sweet, juicy cherry tomatoes on productive vines. Its vigorous growth habit will give you extremely high yields and the trailing vines make it ideal for container or basket growing. Does not need staking or pinching. This determinate tomato produces fruit all summer.
\$3.50 each

Sweet Peppers **\$3.50 each - 3.5" x 5" pot**

Carmen Sweet
Pepper - Bell type

AAS winner. Excellent flavour and first to turn red. We are continuously amazed at Carmen's earliness, sweet flavour and dependability. An All America Standards winner that is perfect for use in salads or roasting, Very sweet and quite heavy yielding. This hybrid was developed to set fruit under cooler conditions so it is a great choice for short season areas. 2.5" fruit. 65 days to green and 80 days to red from transplanting.
