Hello again to the wonderful St. Andrew's family.

As summer draws nearer to its close, we remember our seasonal festivities, vacations and fellowship that we have experienced these last few months. We have certainly been blessed by the many miracles of God's nature around us.

I have been extremely glorified with the Holy Spirit within me in my time with the congregation. I am feeling more connected to everyone I talk to, as we share the worship of our Lord and Saviour.

There seems to be growth among us as we spend time in fellowship together. We've shared thoughts on how we can be positive disciples and shepherds of the Word and life of Jesus Christ, and what he expects from us day by day. There is a feeling of family and companionship in our Christian journey together.

We need to remember to keep those in our prayers who are suffering with illness, loss, depression and loneliness. We need to pray for the strength of our community and all those who are part of it.

I am sending warmth and comfort to you all, and I truly hope your life is enveloped with the comfort and care of our Father, Son and Holy Spirit.
